

No new matter was added by these changes, nor do these changes narrow the scope of the claims.

After receipt of the Advisory Action, Applicant's representative contacted Examiner Christopher Pate and inquired as to why the amendment failed to place the application in condition 5 for allowance. Examiner Pate informed her that a continued examination would be required to evaluate the amended claims.

The fee for a continued examination of \$395 for a small entity is attached. If the examiner finds that this fee is insufficient, she is encouraged to contact Nancy Lord, at 775-253-0137.

Dated April 5, 2007.
